Pre Meeting Activities

What does, or could, the school do to support your information gathering?

What activities occur throughout the term to ensure there is regular dialogue between staff and students about the student learning experience?

How do you agree the matters that will be taken to SSLC or Board of Studies meetings?

Are points raised by peers shared or discussed before the meeting with programme staff?

How do you coordinate topics with other reps on your programme?

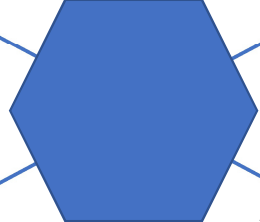

How do you get peers to suggest potential solutions or indicate preferred outcomes to the issues raised?

Did the SSLC agenda
work for you and
your cohort? Why?
Why not?

How could the
school support you
to preparing for the
meeting?

Does the culture
of the School
make this an easy
or challenging role
to take on?

How do you raise
challenging points at
meetings?

What evidence
do you present?

How do you
develop, inform or
make decisions on
actions?
