

Creating Excellent Student Experiences through Partnership Working

NSA Activity

Strategic Student-Led Projects

School Representatives choose projects to complete during their term. Categories include Diversity, Direct Entrants, Feedback, ELIR

Sports & Society Activity

Students are supported to 'Get Involved' and 'Play Your Part' (Fig.1) through promotions and NSA activities

Student Representation

The NSA Student Rep Pathway (Fig.2) enables Reps to map their aspirations and develop skills to improve their prospects

Volunteering

Students are supported to take on volunteering challenges e.g. School of Computing Employability Module Partnership (Fig.3)

Global & Cultural Awareness

Cultural Awareness encourages Global Citizenship. NSA promotes opportunities like 'Study Abroad' and international volunteering

NSA seeks out opportunities for students to develop themselves for life and work e.g. bespoke Student Executive internship programme, DofE Accreditation and student-led projects
