 ROBERT GORDON UNIVERSITY ABERDEEN

## Maintaining Representation during the Covid 19 Epidemic

At **rgu:union**, we have...

1. Ensured a team effort, working together within the Union, and reaching out to partners within the university.
2. Communicated regularly and clearly to class reps and school officers, through a dedicated Moodle forum set up for this purpose.
3. Used WhatsApp groups to collect student voice and opinion, and to rapidly shape responses and solutions to student concerns.
4. Used email to deliver feedback to the university.
