

Supporting the learning experience

Who are we?

- The representative body of Scotland's 19 universities
- Develop policy and advocate on behalf of the sector
- Committee structure, with some smaller policy groups

Learning and Teaching Committee

- Sharing good practice and collaborating, with partners
- Developing and promoting flexible learning
- Contributing and responding to SG policy

Current and future priorities

- 'Beyond Level 0' guidance for next academic year
- Supporting new and continuing students with disrupted learning experiences
- Engaging with the recommendations of the SFC Review, Digital Vision
- With partners, driving an education-led social and economic recovery

Further engagement

- Student panels for insight into policy / campaigns
- Focus groups, e.g. Widening Access work
- Sector working groups, e.g. Learner Journey Taskforce
- University Advisory Group
