Sustainability in the Curriculum

The screenshot shows the homepage of the Students Organising for Sustainability (SOS-UK) website. At the top is a navigation menu with links for Home, News, About, Our work, Opportunities, Contact us, and Donate. Below the menu is the SOS logo and the text 'STUDENTS ORGANISING FOR SUSTAINABILITY UNITED KINGDOM'. A search bar with the placeholder text 'What are you looking for?' and a 'Sign in' link is also present. A prominent call to action reads 'Sign up to our monthly SOS-UK email'. The main heading is 'Students Organising for Sustainability', followed by a paragraph: 'Students Organising for Sustainability (SOS-UK) is an educational charity created by students and staff at NUS in response to the climate emergency and ecological crisis. We support students to learn, act and lead for sustainability.' The footer features three banners: the first displays the 17 Sustainable Development Goals (SDGs) with the text 'LAUNCH OF THE GLOBAL GOALS TEACH IN'; the second says 'FOR THE YOUTH BY THE YOUTH' with a student holding a 'WE RESIST' sign; the third promotes 'MOCK COP' from '19TH NOVEMBER - 1ST DECEMBER' with the hashtag '#MockCOP26'.
