- 10.15 Proposed principles for a new Tertiary Quality Framework: Scottish Funding Council workshop**
Last year, the SFC Review recommended that the sector introduce a single quality framework for tertiary education. This workshop, led by the SFC, will introduce participants to the proposed draft principles for this shared Tertiary Quality Framework. The workshop will give you an opportunity to discuss the principles and provide feedback on your views – are the suggested principles the right ones, are there any that are missing, and what might a tertiary quality framework embodying these principles look like?
