# Here to represent you

GCU Students' Association is here to make sure that the University hears and acts on the needs of its Postgraduate Research Students!

## Your representatives...

Research Student Leads help drive improvements to your student experience by making sure that both the University and the Students' Association know about and take action on the issues that are affecting Postgraduate Research Students.

If you have any issues that you want raised, get in touch with your Research Student Lead to let them know!

## Run by students like you...

GCU Students' Association is led by four elected students know as Full Time Officers.

In addition to being members of the Students' Association's Board of Trustees, the body ultimately (and legally) responsible for the running of GCU Students' Association, each of the Full Time Officers are responsible for taking a lead in campaigning to improve the student experience at GCU.

You can find out more about your Full Time Officers and their campaigns to improve your student experience at [www.gcustudents.co.uk/executive](http://www.gcustudents.co.uk/executive).
