

Student Survey of Online Teaching and Learning

This anonymous survey relates to your experience of online learning after the Spring Break and the changes made to teaching delivery in the context of COVID-19. Your feedback is important to the University. It will provide a valuable source of information from which to learn lessons about the student experience of digital learning and to provide guidance on what additional support is required to enhance online delivery.

Please note that there will be opportunity during the examination diet to complete a short survey of your experience of online exams.

In your free-text comments, if you have taken modules in more than one School or Department in Semester 2, it will be helpful if you identify the School or Department to which your comments apply.

1. Your Schools/Departments (tick box)
2. Your level of study (please tick: 1000 level, 2000 level, 3000 level, 4000 level, 5000 level - Integrated Masters, 5000 level - Postgraduate)
3. Please provide some reflections on what worked particularly well for you in your online learning.
4. Please provide some reflections on the main challenges you faced in your online learning. What additional support would have been useful?

For questions 5 through 9, please indicate the extent to which you agree or disagree with each statement where:

1 = strongly disagree, 2 = disagree, 3 = neither agree nor disagree, 4 = agree, 5 = strongly agree

5. My motivation and engagement with my studies were supported by the new teaching and learning arrangements after the Spring Break

Free-text box: Please add any comments you would like to make about your motivation and engagement.

6. My learning was appropriately supported by the provision of online resources (e.g. reading lists, recorded lectures, software etc.)

Free-text box: Please add any comments you would like to make about the provision of online resources and your learning

7. My learning was appropriately supported by the technology available to me (e.g. internet, laptop, other digital devices)

Free-text box: Please add any comments you would like to make about available technology and your learning.

8. My learning was appropriately supported by my study environment (e.g. a quiet placeto work)

Free-text box: Please add any comments you would like to make about your study environment and your learning

9. Generally speaking, my learning experience has been good for my wellbeing.

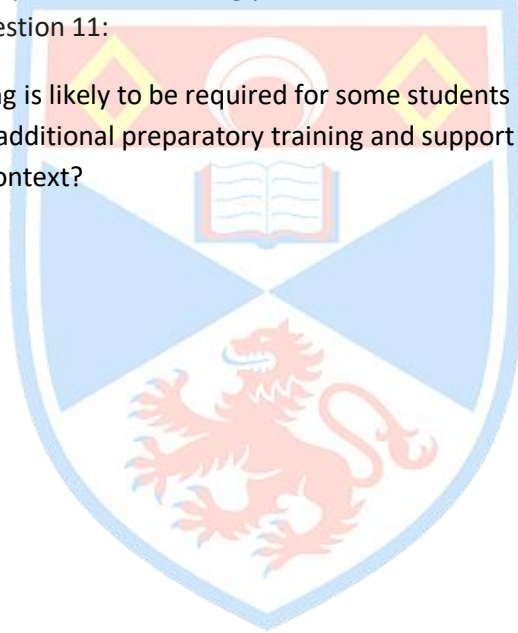

Free-text box: Please add any comments you would like to make about your wellbeing and your learning

(Please contact [Student Services](#) if you need support with your wellbeing)

10. Please add any further comments you would like to make about your experience of online teaching and learning in Semester 2.

If you are not graduating this year but continuing your studies at the University of St Andrews next semester, please answer question 11:

11. Given that online teaching is likely to be required for some students next semester, or for some parts of the semester, what additional preparatory training and support for your learning do you think will be helpful in this context?
