Quality Assurance Agency Scotland

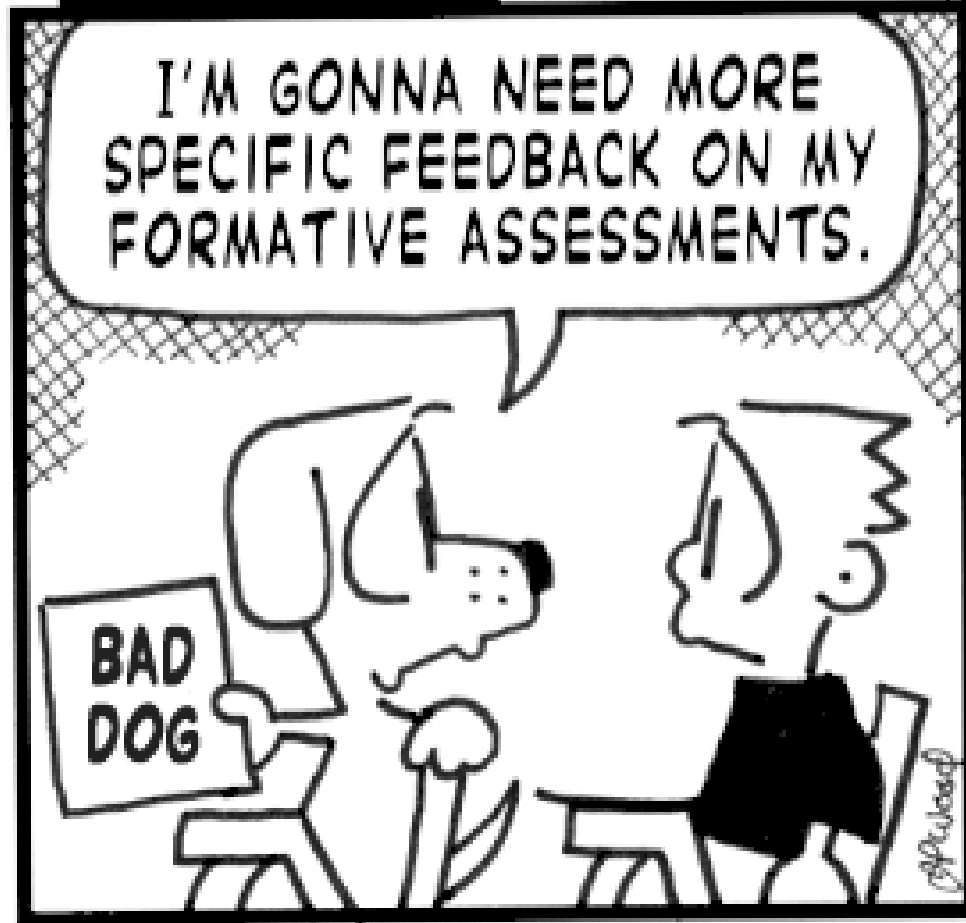

Feedback from ELIR

- More consistent implementation of policy
- **Communication and understanding the nature of feedback**

Improving the quality of feedback

The Focus On project

1. Staff development to support practice in policy making on feedback and assessment
2. Use of technology to enhance feedback
3. **Mapping partnerships between students' associations and their institutions to improve feedback**

Working together - 5 themes...

- Communication
- Events
- Student Partnership Agreements
- Promoting feedback as a learning dialogue
- Using toolkits
